I-94 and exit at Trumbull. Turn left onto Trumbull, which turns into Lincoln. Follow Lincoln to West Grand Blvd.

Directions from the south:

- North I-75 to north M-10. Exit at Forrest/Warren and turn left onto Warren. Warren to Trumbull, turn right onto Trumbull. Proceed north on Trumbull, which turns into Lincoln, to West Grand Blvd.

M 10 LODGE FREEWAY CLOSURE

WHAT:

Currently, M-10 (Lodge Freeway) is closed in Detroit between M-102 (Eight Mile Road) and M-8 (Davison Freeway). One lane of traffic is open in each direction between M-8 and I-94. In April 2007, the full closure will be extended to Lahser Road in Southfield. The closure is needed in order for crews to repair 14 miles of pavement and 50 bridges within the project limits.

WHERE:

Road and bridge repair will take place between Lahser Road in Southfield and I-94 in Detroit.

WHEN:

The full closure is expected to open to traffic in September 2007. The project is scheduled to be completed in November 2007.

WHY:

A total closure is the fastest and safest way to complete the project in one construction season. Allowing one lane to remain open in each direction would double the time required to complete the work and would result in a traffic gridlock.

WHAT TO DO:

- Plan an alternate route
- Plan a backup alternate route in case of an incident on primary alternate
- Consider alternate means of commuting (bus, carpool, vanpool)
